INSTRUCTIONS

In order to be considered a seasonal employer with seasonal occupations, seasonal status must be requested and granted prior to the beginning of a seasonal period.

If your entire business operation is seasonal, complete only Items **1** and **2** and sign on the reverse side.

If a functionally distinct occupation within your business is seasonal, complete Items **1** through **4** and sign on the reverse side. (A functionally distinct occupation is an occupation in which the assigned duties or activities, as a whole, are identifiably distinct under the usual and customary practice of the industry.)

1. List the calendar year for which you are requesting seasonal status _____
2. Did your entire business operate for less than 26 weeks (i.e., operating no more than 181 days, including Saturdays and Sundays) during the calendar year? <input type="checkbox"/> Yes (List your business's opening and closing dates for the calendar year listed in Item 1 .) If you have more than one seasonal period, please provide the opening and closing dates for each season. Opening Date: _____ Closing Date: _____ <input type="checkbox"/> No (Continue on reverse)

Items **3** and **4** are on the reverse side of this form.

FUNCTIONALLY DISTINCT OCCUPATIONS

Please answer the following three questions for each functionally distinct occupation. If you answer “Yes” to all three questions for any functionally distinct occupation, complete Item **3** for each specific occupation. If you answer “No” to any of the questions for any of the functionally distinct occupations, complete Item **4** for each specific occupation.

- A. Were there seasonal periods amounting to less than 26 weeks in the calendar year during which you employed the total seasonal work force in any of the listed occupations?

NOTE: *Less than 26 weeks* means “operating no more than 181 calendar days.”

- B. Were there at least 45 consecutive days in which you did not employ workers in any of the listed occupations?

- C. Were no more than 25 percent of the workers in any of the listed occupations employed at any time following the seasonal period?

NOTE: This figure is 25 percent of the total number of workers employed in the occupation during the seasonal period.

3. Complete the following information for each seasonal occupation to which “Yes” was the answer for all three questions above. If needed, this page can be photocopied or a spreadsheet with the same format may be submitted to list additional occupations.

- List the beginning and ending dates and the total number of workers for all seasonal periods in which the total seasonal work force in the occupation was employed.
- List the beginning and ending dates and the total number of workers for the nonseasonal periods in which no more than 25 percent of the workers in the occupation were employed.

Occupational Title (List occupational titles separately and be specific.)	Seasonal Periods			Nonseasonal Periods		
	Begin Date	End Date	Number of Workers	Begin Date	End Date	Number of Workers

4. List all other occupations in your business and describe the job duties or activities of the occupations not listed in Item **3**. If needed, this page can be photocopied or a spreadsheet with the same format may be submitted to list additional occupations.
